

Rules of paper submission

1. In order to submit a paper, it is necessary to create information on the registration page that opens first.
2. For the abstract to be included in the congress book, at least one of the authors must be registered with the Congress.
3. The author who will present the paper must be registered with Congress.
4. Individuals registered to Congress have a right to send two papers. Therefore, after the two papers, there will be an additional charge for each extra paper.
5. Papers sent to Congress should only be sent via the Congress web page. Applications by e-mail, fax, and other methods will not be accepted.
6. The entire evaluation process can be followed by the participant's e-mail and password via the system.
7. Since the papers will be published in Turkish and English in the proceedings book, it is obligatory to upload the papers in both the "Abstract" and the "Full Text" sections in TURKISH and ENGLISH.
8. Paper presentations can be made in Turkish or English.
9. Submitted papers can be written as research, review, and case reports.
10. Scientific and legal responsibilities regarding the paper belong to the authors.
11. Members of the Scientific Committee will evaluate the submitted papers to determine their scientific quality and relevance.
12. Only oral presentations will be made. Poster submissions will not be accepted.

Rules for Oral Presentation

Verbal Statement

- Oral presentations can be made in Turkish or English.
- Oral presentation time is 15 minutes, with 10 minutes for presentation and 5 minutes for discussion.
